

SEP 22 1957

The Honorable Henry Cabot Lodge  
American Ambassador  
United States Mission to the United Nations  
2 Park Avenue  
New York, N. Y.

Dear Cabot:

May I add my congratulations to the many others you have received for your speech on Hungary on September 10th before the Eleventh General Assembly. My congratulations are belated because I have been out of town.

I found the speech extremely effective, not only in its condemnation of continuing Soviet intervention in Hungary but also in its statement of the United States' sincere desire to find ways and means to ameliorate the situation of the Hungarian people.

Best wishes for your continuing success in the Twelfth General Assembly.

Sincerely,

Signed

Allen W. Dulles  
Director

Here in the  
draft letter to Cabot  
Lodge which I suggested  
to you a few days ago  
and in which you  
expressed interest at the  
time of our conversation.  
I think it would be helpful  
in our relations and in  
our continuing efforts to  
provide intelligence support  
to Cabot.
